To Mr. []

[] phoned and left the following message:

"From all appearances, the interview that [] had with Tom Kuhn with AP went well. Kuhn is a young fellow and apparently is seeking the interview to get a by-line. No embarrassing questions came up. Mr. [] gave him a brochure and a copy of the article by Admiral Raborn. Mr. [] has to leave town this afternoon, however, his secretary will clip the interview when published and will send Personnel about four copies."

[] does not think there will be any problems.
